## Tempo Passa Force Elita AS2224512

### 2021 National Show

**Left- National Champion SGCH Tempo Passa Etoilee 11\*M aka 'Starry'**  
**Right- Reserve National Champion GCH Tempo Passa Eliza 11\*M**

**It's time for you to get in the picture!!!**

Elita comes from our 'E' line of does known for their consistent quality, beauty and productivity. Her pedigree is filled with does that made a mark on the Saanen breed, and are continuing to make a difference generations later. Whether you are adding to an established herd or just starting out, Elita can be a game changer for your herd.

## Enforceable's sire (Elita's paternal grandsire)

### SG++\*B Briarwind Pharoah Talut

Talut made a massive impact in our herd and on the Saanen breed. Initially purchased to increase protein production, his dam GCH Briarwind Shiloh Tasmin was the '97 #1 Protein Breed Leader with a record of 3-11 305 4310 180 4.2% 142 3.3%. In addition to siring at least four Breed Leaders of his own, he was known for his show daughters, notable for tremendous length of foreudder and ideal teat placement. He has at least 18 permanent Champion daughters, including six or more that won their class as milkers at the National Show. He was the '03 and '05 Premier Sire. In our herd alone, he sired 7 EX90-93 does and 7 GCH does.

Elita is linebred on this amazing doe and her daughter, SGCH des Ruhigestelle Elendili 8\*M on both her dam's and sire's pedigrees. Watch below as the generations progress on both sides.

Putting these pages together is really time consuming, but a lot of that is because they bring back tons of memories. So many miles traveled, so much work, sweat, and tears, both of joy and sadness. These are incredible animals, beautiful, productive, consistent, but above all else, they are my family. I hope you enjoy my trip down memory lane.
