

**Presenting our 2026 BEST OF THE WEST online sale consignment-**

## **\*B TEMPO PASSA ET ETERNAL**

WOW is the only word to describe this buck, though ONCE IN A LIFETIME is a close second. Eternal combines the best of our best into a beautiful, correct and commanding package. He is a growthy IVF kid, born 2/26/26. DNA parentage has been confirmed. Eternal is the only kid being offered for sale from this pairing.

Eternal's dam is the iconic SGCH Tempo Passa Etoilee 11\*M. "Starry" has stood in the winner's photo at three National shows, making her one of the winningest Saanens in National show history. She was named '21 National Champion in Louisville and scored FS94 at four years old. In '23 she was Reserve National Champion at five years, while on a milk through lactation. Back to Louisville in '24, she again traveled 5000 miles round trip at seven years to win '24 Reserve National Champion, while making a 4471 lb milk record and scored FS93 the following October. She has over 28,500 lbs of lifetime milk. In addition to her National Show wins, Starry has been BOB at both the Oregon and Washington State Fair, and the District VII Saanen Specialty, and was the '21 NSBA Supreme All American doe.

Eternal is the product of a long awaited IVF pairing of Starry with +\*B Tempo Passa FRL Harley. Harley sired GCH Tempo Passa Emphasis 13\*M, '24 National Champion. Easily our most elegant and beautiful Saanen ever, Emphasis scored FS94 that fall as four year old, but was tragically lost far too young before freshening again. Harley was the '24 National Show Premier Sire, especially notable because his daughters were owned and bred by six different herds.

Both Starry and Emphasis came by their quality from generations of exceptional animals. The depth of pedigree on Eternal is nothing short of amazing, with several generations of EX, high production does that have been competitive in the National Show arena for decades.

**Dam of Eternal-**

**SGCH TEMPO PASSA ETOILEE 11\*M, aka "STARRY"**

2 yrs FS89 EEEE FF

3 yrs (2020, not scored)

4 yrs FS94 EEEE

7 yrs FS93 EEEE

7 yrs

No one photo does Starry justice. She's so correct in her structure and frame that as she ages she just becomes... more. Starry's legacy was written even before she was born. A cross of our 'E' line with our highest production does Riah (6-3 FS92 EEEE, 3-10 305 4755 166 3.5% 132 2.8%, Top Ten) and Elowah (5-5 FS90 VEVE, 2-11 305 5450 216 4.0% 159 2.9%, Top Ten), Starry combines the beauty and mammary strength of her dam SGCH Etienne with depth, production, and even more dairy strength. Starry's written accomplishments include multiple National Champion wins with high production and LA scores, but to us she is herd queen, dependable, solid and the ultimate of the complete dairy goat. Starry doesn't bring excuses, she brings performance and work ethic, every time, every show, every day.

**Sire of Eternal-**

**+\*B TEMPO PASSA FRL HARLEY**

**Harley daughter- Paternal sister to Eternal!**

**GCH TEMPO PASSA EMPHASIS 13\*M EX94 EEEE**

**'24 ADGA NATIONAL CHAMPION & Best Udder!**

*While the most dramatic Harley daughter, Emphasis is only one of several who earned Harley the title of '24 National Show Premier Sire. Those does came from six different herds, from all around the country. Harley is a product of our favorite SGCH des Ruhigestelle Elende 9\*M and the beautiful GCH Willow-Lane Balantine 4\*M FS93 EEEE. Harley daughters are known for level topline with wide rumps, correct feet and legs, strong front ends, and consistently correct and shapely udders.*

Eternal is linebred on our most influential and consistent dam line, the well known “E” line. Elendili, Elende and Elentara were all incredible does on their own. All were SGCH, EX does with Top Ten milk records and over 20,000 lbs lifetime. All three were 1<sup>st</sup> or 2<sup>nd</sup> at National shows, some multiple times. But more importantly, they were phenomenal brood does, with the consistency to win Dam & Daughter and Produce of Dam classes at the National show generation after generation.

While they aren’t listed in the inbreeding coefficient, don’t miss Elenya, ’17 National Champion and her son, Prince Edward, sire of the ’18 National Champion and undefeated Sr Get of sire. Or Etienne, 2x1st, 1x2nd at National Shows, and member of 13 1<sup>st</sup> place group classes!

**For more information and performance records on individuals in Eternal’s pedigree, please check out our website at [www.ruhigestelle.com](http://www.ruhigestelle.com) under the Saanen herd pages. Be sure to check out “Lest We Forget” as well, as this is a very deep pedigree going back many years.**

WHAT A DAY!

Emphasis and Etoilee, '24 National and Reserve National Champions! Eternal's dam Etoilee, Reserve National Champion on the left and his sister Emphasis, National Champion, on the right. Thank you to everyone who made this incredible moment possible. It takes a team and a village! I am forever grateful to the team that helped travel, care for, prep and show these amazing does, and the world wide dairy goat 'village' that I have been fortunate to be a part of for my entire life. Good friends and beautiful animals. It truly doesn't get any better than this!
