SEMEN SALES LIST- NOTE LAMANCHA SEMEN SALE!

We have semen available from most of our sires, both foundation animals and our more contemporary bucks. We do have a $100.00 minimum on semen purchases, although that can be combined with other people, as long as the semen is transferred at one time. I can deliver semen to convention and Nationals, and will sell here at the farm. Since Nationals and convention are very busy times for me, it is best if you contact me both before and during the week. Email (lauren@ruhigestelle.com) is the best way to reach me at home. I can be reached by Messenger, text at 503-781-7898, or email at lauren@ruhigestelle.com. Sorry, due to semen being left here for extended times, unless prior arrangements are made, all semen sold must be picked up by 12/31 or ownership will revert back to me, with no refunds.

DISCOUNTS!-

We offer a 10% discount on full canes, OR a 20% discount on semen sales of $1000 or more.

SHIPPING-

We will ship semen if you send us a vapor shipper. We cannot provide one. To ship semen, simply send a shipper to us with a prepaid return postage label and we will return it on the next business day. To prevent delays, let me know when your shipper is to arrive to make sure I am not out of town. *All semen shippers must be sent by Fed Ex or UPS. There will be a week delay if it is sent by USPS.* **Please DO NOT send anything requiring a signature**. *There is a good chance it will be returned as I am frequently not here when they are delivered.* We are happy to put semen from multiple purchases in one shipper if you desire to combine a shipment with friends. There is a $75 fee if the shipper requires recharging.

LAMANCHA SEMEN SALE!!!

It's time for our LaMancha semen to move where it will be used to better advantage than here. Below is listed what we have available. If you are interested in making an offer on all of it, please let me know. Note, while I will consider offers on the entire group, our regular discounts do not apply.

Argonne's Forged in Fire- 4 $40 each
Argonne's King Midas- 5 $40 each

+*B TEMPO PASSA ELTANTOR

s-SG ++*B des Ruhigestelle Elander
d-SGCH des Ruhigestelle Elenya 10*M

born 1/18 American $50 each

Tantor reminds me so much of a Saanen version of Yukon Jack that I catch my breath every time I look at him. Same depth of pedigree, same dairy strength and general appearance, and same great personality. 'Tank' is from Elenya, AI sired by Elander. That makes him a paternal brother to WinCatcher and Elentera, and a maternal brother to Prince Edward. 'Tantor' was Tarzan's elephant, so that gives an idea of Tank's size! Tank's daughters are very exciting, with fancy udders and lots of milk, on bodies with strong general appearance and true dairy strength.

*B TEMPO PASSA ENFORCEABLE

s-SG ++*B Briarwind Pharoh Talut
d-SGCH Tempo Passa Etoilee 11*M

born 3/20 American $50 each

With four generations of SGCH, FS91-93 does, all with records over 3,700 lbs, we were hoping for big things from Force's dam Etoilee, aka Starry. She did everything possible as a 2 yr old, including a FS89 EEEE, won two legs towards her SGCH at our major state fairs, and milked nearly 3,800 lbs as a first freshening 2 yr old. We weren't expecting her to top that with a FS94 and National Champion! Talut was one of the most influential sires we have used. He sired 15 champion daughters to date, and was National Show Premier Sire at least twice. He has six different first place milking daughters at the National Show, including SGCH dR WinSeeker 3*M, 2008 National Champion and Best Udder. Force's first yearlings are coming in very nicely, and include the 1st place milking yearling at '22 Nationals!

+*B TEMPO AQUILA LIVINGSTON

born 11/18 American chamoise $75/straw (Livingston has been collected again and semen is available)

Livingston is Living's last gift to us, a buck kid that is the image of his dam. I have been blessed to breed some influential bucks in my time, Radical, Freelance, Yukon Jack and Handyman. While his daughters are still young, Livingston may well prove to be the best yet. His first kids were fancy, and now they are maturing into amazing young milkers. Structurally correct with level toplines and strong front ends, they are freshening with capacious udders with wide rear udders, great fore extension, and strong medials and correct teat placement. They are hard workers and willing to milk extended lactations, all while traveling a rigorous show circuit.

+B TEMPO AQUILA FREE ENOUGH (aka 'Jackson')

born 5/15 American chamoise $50/straw Limited amount

'Jackson' was a beautiful buck kid from Living Free and Enough Said. He was correct and dairy with excellent legs, a sharp, strong front end, and a beautiful head. He was also about the sweetest buck kid we've had. Sadly, Jackson died in a freak accident at only 9 months old. We had his semen successfully collected post-mortem, and have gotten normal conceptions from it. Jackson's first yearlings have freshened with beautiful udders and are correct in general appearance. Like Living Free, they are immature and will take time to fill out.

2015 NATIONAL CHAMPION & BEST UDDER
dd- Goat-San Versailles

I loved Venice the first time I saw her as a 2 yr old. By the end of that summer, I had a buck ordered. He may be an ugly boy, but his daughters are beautiful! Vito's first milking daughters are coming in with really nice udders. Like Venice, they are slow to mature but so worth it! Thank-you Trinity!!! Semen is available.
